Dear Mr. Stokoe:

Thank you for your thoughtful letter of May 14, 1990 addressed to Secretary of State for External Affairs Joe Clark concerning Canadian policy on Indonesia and East Timor. In answer to your question on bringing External Affairs officials before the Standing Committee on External Affairs and International Trade, I suggest the best approach would be for you to write the chairman of the committee, John Bosley to make such a request. We will continue to work with you in urging the Canadian Government to change its misdirected policies in Indonesia.

Sincerely,

Bill Blaikie, M.P.
